APPLICATION FOR CONVERSION OF OVER DEDUCTION

I, JUDE ISAAC (ASI¹) of the above address and the following details: NIS 28014, NIMCOS Number: **6775** hereby apply for the conversion of over deduction of my loan to payment of more shares instead of savings.

On the 5th/10/2021 I liquidated my loan to tune of ₦46,100 (only), but I discovered that it was already late; thus the same amount was deducted in my October salary. I want this over deduction to be converted to more shares on my behalf instead of savings.
